

**Do you 'Love Where You Live'?**

**Would you like to be part of a new group in your local area ?**

**Well, how about starting with a Community Litter Pick one Saturday . . .**

**Similar Community Groups in Millhouse Green and Thurlstone have been running for 3-4 years now and, supported by Penistone Town Council and the newly formed Penistone Ward Alliance, they've made a real difference to their areas and have gone on to fund - raise for charities, planted flowers, erected village signs, held annual fetes and even arranged their own local Christmas Tree lights !**

**The Ward Alliance wants to build on this start by encouraging & supporting local groups across our Town.**

**If the idea appeals to you, please contact Penistone Ward Alliance by emailing [charlottetomlinson@barnsley.gov.uk](mailto:charlottetomlinson@barnsley.gov.uk), calling 773012 or popping into the Penistone Visitor Centre on Shrewsbury Road - next to The Paramount Cinema.**
